Re: *Petition by ICG TELECOM GROUP, INC. for Arbitration of an Interconnection Agreement with BELLSOUTH TELECOMMUNICATIONS, INC. pursuant to Section 252(h) of the Telecommunications Act of 1996*

Docket No. 99-00377

Dear Mr. Waddell:

BellSouth Telecommunications, Inc. ("BellSouth") and ICG Telecom Group ("ICG") respectfully provide clarification to my earlier letter concerning the agreement reached by the parties on Inter-Carrier Compensation for ISP Traffic and Performance Measures and Remedies. I inadvertently omitted reference to Issue 7 concerning the tandem interconnection rate, which also has been resolved. As set forth in the language that will be incorporated into our new agreement that was included with my earlier letter, BellSouth and ICG have agreed to a composite reciprocal compensation rate, which renders moot the tandem interconnection issue.

ICG has authorized me to file this letter on its behalf. Thank you for your attention to these issues.

Very truly yours,

Guy M. Hicks
